

Surveys:

Some surveys KDS can assist with are:

- ⇨ Mobility
- ⇨ Needs Assessment
- ⇨ Stages of Concern
- ⇨ APS
- ⇨ DAS
- ⇨ ELSSA
- ⇨ Staff School Climate Survey
- ⇨ Custom Surveys

Surveys can be administered online or paper pencil. KDS can assist with formatting, data collection (scanning), and reporting. We help find the best approach for survey administrations to get the results you need.

Once the data are collected, comprehensive reports are processed per survey level. Reporting may vary according to survey type and district requests.
